

Welcome, and thank you for choosing CFB as your event venue! We want your event to be a success and enjoyable for everyone! With that in mind, here are a few simple reminders:

- We do not charge for use of our space. We are your venue, but not the host.
- Reservations are encouraged for parties of 15+. With advanced notice, our hardworking employees will set up a space specifically for your group.
- ZERO OUTSIDE ALCOHOL – CFB is a licensed brewery ONLY; as such, it is illegal for us to have any alcohol on-site other than what is brewed on premise. Beer is the only alcoholic option available.
- 48 oz. per person while on premise – this is the law, please do not ask your server for more. We have to-go options available, but they must be consumed off premise.
- Because we do not charge for use of our space, we ask that any non-alcoholic beverages be purchased onsite. We carry Coke products, La Croix sparkling water, Dean’s Zesty Kombucha, tea, hot chocolate and apple cider.
- If children are attending your event, please ensure an adult accompanies them at all times. We are a business open to all patrons, and we want everyone’s experience with CFB to be as enjoyable as yours. We have toys and games available upon request.
- Please clean up and dispose of any outside decorations, food, etc.
- Another one of those brewery laws... We can not serve beer for onsite consumption past 8:00 pm, and all patrons must be out of the building by 9:00 pm.
- HAVE A FANTASTIC EVENT!!!
